

Project Design Phase-I Solution Architecture

| | |
|---------------|--------------------------------------|
| Date | 19 September 2022 |
| Team ID | PNT2022TMID08065 |
| Project Name | Project – Crude oil price prediction |
| Maximum Marks | 4 Marks |

Solution Architecture:

Solution architecture is a complex process – with many sub-processes – that bridges the gap between business problems and technology solutions.

Example - Solution Architecture Diagram:
